Sacramento, California is located just a short drive away from Silicon Valley and the Bay Area. CA1, one of three data centers on our 52.7MW campus, is powered by 100% green energy.

**Data center space**
- 105,805 sq. ft. data floor space
- Multiple vaults totaling 12.6MW
- Two-story building
- Class A office space available

**Power**
- Total critical IT load: 12.6MW
- Two 69kV feeds, N+1 distributed redundant electrical systems
- Dual-corded power distribution
- Generators with on-site fuel storage to support 24 hours run time at full load with 24x7x365 fuel delivery
- Renewable energy options available

**Fire protection**
- Dual interlock fire suppression system with a mix of wet (office areas) and preaction systems (data vaults)
- Honeywell Smoke, Heat, and Beam Detectors throughout the building

**Security**
- 24x7x365 Security and Operations team
- Fenced campus with centralized, electronic access control system
- 100+ real-time security feeds using pattern-based technology
- Multi-factor authentication throughout the facility
- Secure managed delivery and loading area 24x7x365

**Connectivity**
- Carrier-neutral
- Two diverse fiber entry points
- One Meet-Me-Room
- Multiple Tier-1 carriers on-site, including AT&T, Cogent, InnerCity FiberNet, FiberLight, Frontier, Level 3, Megaport and Zayo
- Direct connectivity to major cloud providers, applications providers and enterprise ecosystem

**Additional data center services**
- Remote hands and eyes
- Fit-out and deployment
- Class A office space
- Dedicated long-term storage
Certifications and compliance

Compliance
- SOC1 Type II and SOC2 Type I
- ISO 27001
- ISO 50001 Energy Management

Sustainability
- Designed to LEED Certified Standards
- EPA ENERGY STAR

Data center products
- Cabinets
- Customizable cages
- Private suites
- Dedicated vaults
- Build to suit

Design:
NTT Sacramento features three data centers offering a total of 52.7MW of critical IT load and 237,578 sq. ft. of data floor space.

Security:
The campus utilizes an intelligent video surveillance system that offers a high-resolution, 360-degree view of the data center and provides real-time alerts to our in-house security team using pattern-based technology.

Client amenities:
Our Sacramento data centers offer several client amenities including conference rooms, hoteling stations, break room, crash carts, rack and server lifts, and free Wi-Fi.
